## Continuing with your EfM registration

- This should mark the end of the process to create and validate your Amilia account - you should now be able to continue with your student registration ...
- When you have completed the student registration questions and entered today's date you will then be able to proceed to the payment section

## Selecting your payment option – please read carefully

- You will see two options for payment – online payment and offline payment
  - **It is expected that the majority of students will pay the full student fee of \$350.00 at the time of registration and will need to select the online payment option**
    - Online payment can be made by credit card (MasterCard or VISA) or by E-check; choose your preferred option and fill in the requested information – there is a help screen associated with E-check payments if needed
    - You will have an option to save your credit card information on the Amilia website for future registrations processed through your account
    - All credit card and banking information is secured on the Amilia website and no one associated with Amilia or the Diocese of Kootenay has access to your confidential information
  - **If you are not paying the full student fee of \$350.00 at the time of registration – if you are requesting a bursary or receiving financial assistance from your parish, diocese or a third party to partially offset your fees – then you must select the offline payment option**
    - This will allow you to complete your registration while recording an outstanding balance of \$350.00 on your account
    - **You must then contact the EfM Canada office by email; arrangements will be made to discuss payment options in person via a telephone conversation or Zoom meeting**

## Confirmation of your registration

- When you have filled in the payment section your registration will be complete and you will be notified that a confirmation email has been sent to the email address used to create your account
  - this will be in the form of an Invoice from Diocese of Kootenay – Ministries – please make sure to check your Junk Mail and Spam folders if it does not arrive in your Inbox
  - for those who selected online payment the Invoice will show that the registration fee has been paid in full; this will serve as both a confirmation of registration and a receipt
  - for those who selected offline payment the Invoice will show an outstanding balance; this will serve as a confirmation of registration and notification of a balance due

***Many thanks for taking part in the online registration process!***
